Welcome to the English School of Canada

Toronto, Canada

Toronto is the perfect place for younger students to visit and experience the thrill of studying abroad. Toronto is a **safe** and **clean** city, with a rich selection of *cultural, artistic, and entertainment* attractions. Living in Toronto also gives students the opportunity to visit famous places like Niagara Falls and Ottawa, in addition to great local sites like the CN Tower, Casa Loma, and Rogers Centre.

Come and experience why we have been ranked as one of the best cities in the world in which to live!

Seasons:

Summer: Toronto summers are hot – with bright sun and warm breezes from the lake. In the summer, people love to get outside and enjoy the beautiful beaches, green parks, or one of Toronto's famous weekend festivals!

Winter: Canadians love the winter, because there is so much to do in the snow. Skiing, snowboarding, skating, and tobogganing are some of our favourite winter activities. For some students, it is their first time seeing snow, and it is a truly amazing experience!

 **Summer Kids Program** (9 to 13 years of age)

 **Summer Teen Program** (14 to 17 years of age)

Our Summer Programs take place at the University of Toronto, the largest university in Canada. The campus is situated in the center of downtown, close to shopping districts, restaurants and beautiful parks. Students are housed in university residences during their stay. Residence life gives students the opportunity to live together with other students enjoying more independence plus the chance to make new friends from around the world! Kids and Teens also have separate classes and take part in activities that are age related. Many trips are done together.

Accommodation:

Residences. Our student residences are located downtown Toronto at the University of Toronto. Kids and Teens live in separate residences and they are only steps away from each other. In the residences, students have a single or double room with shared washroom facilities. Students will also have access to modern residence amenities like the big-screen TV lounge, games room and more. Every week, rooms are cleaned and fresh linen and towels are provided.
